acre and 15 guntas in forest survey No. 49 of Jamakhandi for construction of Urdu High School Building, on the request of the President, Macca Masjid for Urdu High School, Jamakhandi. This request has been recommended by the Divisional Commissioner, Belgaum Division. When the Deputy Commissioner, Bijapur was requested to state whether the Urdu High School, Jamakhandi to which an area of one acre and 15 guntas was proposed was really in existence or whether it was proposed to be started at some future date. The Deputy Commissioner in his letter page of 20-10-61 has reported that the President, Macca Masjid wanted to construct a separate Urdu High School for boys and girls studying in Urdu Section in the said area. He has also reported that the President has since dropped the idea of constructing a separate Urdu High School building as there is a separate Urdu section in Government High School in Jamakhandi. He has also reported that he now intends to construct a residential hostel building for boys and girls in Urdu Section, and an enquiry is being conducted in that behalf. In view of this position no action is necessary on these papers so far as the request of Macca Masjid is concerned. If proposals are received from the Dy.Commr., Bijapur for release of the said area for construction of residential hostel building, that will be examined on merits separately. Sub:- Disforestment of 1 A.-15 gunthas in Forest Sy.No.49. of Jamkhandi ---- Request of the President Macca Masjid for Urdu High School, Jamkhandi.

Sir,

Reference:- Your Endt.No.FADSR.749.dated 27-8-1960.

Necessary enquiry with the President Macca Masjid for Urdu High School, Jamkhandi regarding the requirement of the area of land for the Urdu School at Jamkhandi was made.

During the course of enquiry, it was noticed that there is a population of 7000 souls of Muslim Community in---- Jamkhandi town.

The following statistics collected from the authori--ties of the Educational department shows the number of pupils of Muslim Community who are receiving education in the various Classes of the Primary and Secondary schools.

Jamkhandi Town.

1. Primary School---------- 870 pupils.
2. High School ---------- 336 pupils.

Besides this, there are about 600 pupils of this community who are receiving education at Terdal and Banhatti Towns where there are no separate Urdu Schools.

Taking into consideration the above information, it is quite necessary to have about 9 to 12 class rooms for the proposed Urdu School for the pupils of the Muslim Community. In addition to this, addl. rooms will have to be provided for the following purpose:-

1. Science Hall.
2. Drawing Hall.
3. Gymnasim Hall.
4. Room for office.
5. Room for Teachers (Staff)

The Govt.of Bombay in their G.R.E.D.No.6526.dated 17-10-194

P.T.O

1947, G.R.E.D.No.E.B.C.4051 dated 15-2-1952 and G.R.E.D.No F.B.C.4052.dated 20-2-1952 have prescribed the follwing scale regarding the requirement of the area for the School building on the basis of the strength of the pupils.

No.of Pupils.	No.of rooms required.	Area required. A. G.
160 to 240	4 to 8	0 - 20
240 to 320	6 to 9	1 -00
320 to 400	9 to 12	1-20
400 to 480	12	1-20

In addition to the above area, some area is also required for a play ground and garden.

Taking into consideration the above scale, it will be seen that an area of 1A.20.Gunthas is necessary for the School building as there are about 336 pupils in the Jamkhandi High School who are receiving education at present. The area of 1A.15G.now applied for is quite necessary for the Urdu High School and it is not in excess of the requirement.

It is therefore, submitted that an area of 1A.15G.may be disforested early.

Sir,

I write to state that there is no separate Urdu High School at Jamkhandi. The President Macca Masjid wanted to construct a separate Urdu High School for boys and girls studying in Urdu section in Forest S.No.49 of Jamkhandi.

Now he has dropped the idea of constructing the separate Urdu High School as there is a separate Urdu section in Government P.B.High School Jamkhandi. He intends to construct a residential Hostel building in the said forests land for boys and girls studying in Urdu section and he requests to disforest the area of A-G 1-15 for the purpose. A copy of his application addressed to the Tahsildar Jamkhandi is enclosed herein for favour of perusal.

The Tahsildar Jamkhandi has been directed to submit his report on the proposal and the area required for the purpose. His report in the matter is awaited.

I will submit my further proposal after finalising the matter. Now the proceedings which are in progress in connection with establishment of a seperate Urdu High School, at Jamkhandi may kindly be ordered to be dropped.

Sub:- Grant of site out of Sy.No.49.of Jamkhandi for Urdu High School at Jamkhandi.

Sir,

With reference to the Deputy Commissioner,Bijapur and No.FADSR.116/59.dated 15-5-1961 I, H.G.Pathan,President,Macca Masjid,Jamkhandi,beg to state as under.

There is no Urdu High School as such at Jamkhandi. A separate Urdu section as has been opened in Government P.B.High School Jamkhandi by No.H-1/1236.143/59-60.dated 19-6-1959 by the orders of B.P.I.Bangalore. The following table of the strength of the Urdu students in P.B.High School is as follows:-

Year.	No.of student.	Class.
1959-60.	29	1
1960-61.	54	2
1961-62.	88 (54 plus 34)	3

At Jamkhandi there is an institution of Muslims called Macca Masjid Jamkhandi,Baher Peth,Mohalla Jamkhandi which is already registered under the Bombay Public Trusts Act.

This Institution has already started a move for construction of a new building for Urdu High School at Jamkhandi in the area of Acre 1-15 in Forest Sy.No.49.Jamkhandi. But in view of the fact that a separate Urdu Section has since been opened in the P.B.High School Jamkhandi, there is no necessity of such building for Urdu High School separately. Now we are already running a free hostel for these students.

The Institution is however desirous of constructing a residental hostel for the boys and girls studying in the Urdu section in the area of 1-15 now proposed for grant.

The local need for residental hostel is growing year by year. This can be convinced by the below statistics of attendance of students during the last two years. The following table will ensure the same.

Sl.No.	Name of place	Distance from Jamkhandi	Total population	Urdu knowing population	No.of pupils in Urdu primary schools	No.of Pupils studying in Urdu std.IV.
